

A LEADING GLOBAL FULL-SERVICE DIGITAL INTERACTIVE MARKETING AGENCY

CASE STUDY

A comprehensive health center that addresses stubborn weight loss, fatigue, skin issues, and gut discomfort based on specific health concerns.

eintelligenceweb.com

About Our Client

An Atlanta-based holistic doctor provides comprehensive healthcare solutions to address the root cause of health concerns for patients of all body types to help them feel and look their best to maintain a long-term healthy lifestyle.

Their Challenges & Our Solutions

Along with a strong emphasis on growth, the client also wanted to increase its organic traffic and boost visibility on search engines.

Team e intelligence proved to be an efficient partner by significantly improving the website ranking, generating traffic to drive more leads, and increasing ROI via organic channels

Results

- ✓ Increased organic leads from **0 to 211** in a year
